

Year 1 Autumn 1, 2026

Miss Wisniewski

Welcome to Year 1!

We're looking forward to an exciting year of learning, growing and building confidence. The children will develop their reading, writing and maths skills alongside lots of creative and practical learning. We can't wait to see all they achieve this year!

Reminders

Please make sure all clothing, water bottles and belongings are clearly named. Children should bring their book bag and reading book every day. PE days are Tuesday and Friday, and reading books are changed on Fridays. Please let the office know of any changes to home time arrangements.

Curriculum Focus

In English, we will be focusing on our handwriting and transcription skills, alongside our Phonics lessons. We will also be looking at the story Jasper's Beanstalk and focusing closely on oral story telling and vocabulary.

In Maths, we will be looking at Place Value to 10. We will be using practical methods to help us explore and deepen understanding.

In Science, we will be looking at the human body and learn how to name different parts of the body.

RSE/PSHE - My Healthy Self

Computing - E-Safety/Introduction to Purple Mash

RE - Why are festivals important in a community?

Geography - What is it like in our school?
